3 UNITED STATES DISTRICT COURT
4 NORTHERN DISTRICT OF CALIFORNIA

5

6 IRA PERRY,

7

Plaintiff,

No. C 13-3333 EDL (PR)

8

v.

**ORDER DISMISSING WITH
LEAVE TO AMEND**

9

E. TOOTELL, et. al.,

10

Defendants.

11

12 Plaintiff, a state prisoner currently incarcerated at San Quentin State Prison has filed
13 a pro se civil rights complaint under 42 U.S.C. § 1983. He has been granted leave to
14 proceed in forma pauperis.

15

DISCUSSION

16

A. Standard of Review

17

18 Federal courts must engage in a preliminary screening of cases in which prisoners
seek redress from a governmental entity or officer or employee of a governmental entity.
19 28 U.S.C. § 1915A(a). In its review the court must identify any cognizable claims, and
20 dismiss any claims which are frivolous, malicious, fail to state a claim upon which relief may
21 be granted, or seek monetary relief from a defendant who is immune from such relief. *Id.* at
22 1915A(b)(1),(2). Pro se pleadings must be liberally construed. *Balistreri v. Pacifica Police*
23 *Dep't*, 901 F.2d 696, 699 (9th Cir. 1990).

24

25 Federal Rule of Civil Procedure 8(a)(2) requires only "a short and plain statement of
the claim showing that the pleader is entitled to relief." "Specific facts are not necessary;
26 the statement need only ""give the defendant fair notice of what the . . . claim is and the
27 grounds upon which it rests.""" *Erickson v. Pardus*, 551 U.S. 89, 93 (2007) (citations
28 omitted). Although in order to state a claim a complaint "does not need detailed factual

1 allegations, . . . a plaintiff's obligation to provide the 'grounds' of his 'entitle[ment] to relief'
2 requires more than labels and conclusions, and a formulaic recitation of the elements of a
3 cause of action will not do. . . . Factual allegations must be enough to raise a right to relief
4 above the speculative level." *Bell Atlantic Corp. v. Twombly*, 550 U.S. 544, 555 (2007)
5 (citations omitted). A complaint must proffer "enough facts to state a claim to relief that is
6 plausible on its face." *Id.* at 570. The United States Supreme Court has recently explained
7 the "plausible on its face" standard of *Twombly*: "While legal conclusions can provide the
8 framework of a complaint, they must be supported by factual allegations. When there are
9 well-pleaded factual allegations, a court should assume their veracity and then determine
10 whether they plausibly give rise to an entitlement to relief." *Ashcroft v. Iqbal*, 556 U.S. 662,
11 679 (2009).

12 To state a claim under 42 U.S.C. § 1983, a plaintiff must allege two essential
13 elements: (1) that a right secured by the Constitution or laws of the United States was
14 violated, and (2) that the alleged deprivation was committed by a person acting under the
15 color of state law. *West v. Atkins*, 487 U.S. 42, 48 (1988).

16 **B. Legal Claims**

17 Plaintiff states that he has received inadequate medical care.

18 Deliberate indifference to serious medical needs violates the Eighth Amendment's
19 proscription against cruel and unusual punishment. *Estelle v. Gamble*, 429 U.S. 97, 104
20 (1976); *McGuckin v. Smith*, 974 F.2d 1050, 1059 (9th Cir. 1992), *overruled on other*
21 *grounds*, *WMX Technologies, Inc. v. Miller*, 104 F.3d 1133, 1136 (9th Cir. 1997) (en banc).
22 A determination of "deliberate indifference" involves an examination of two elements: the
23 seriousness of the prisoner's medical need and the nature of the defendant's response to
24 that need. *Id.* at 1059.

25 A "serious" medical need exists if the failure to treat a prisoner's condition could
26 result in further significant injury or the "unnecessary and wanton infliction of pain." *Id.* The
27 existence of an injury that a reasonable doctor or patient would find important and worthy of
28

1 comment or treatment; the presence of a medical condition that significantly affects an
2 individual's daily activities; or the existence of chronic and substantial pain are examples of
3 indications that a prisoner has a "serious" need for medical treatment. *Id.* at 1059-60.

4 A prison official is deliberately indifferent if he or she knows that a prisoner faces a
5 substantial risk of serious harm and disregards that risk by failing to take reasonable steps
6 to abate it. *Farmer v. Brennan*, 511 U.S. 825, 837 (1994). The prison official must not only
7 "be aware of facts from which the inference could be drawn that a substantial risk of serious
8 harm exists," but he "must also draw the inference." *Id.* If a prison official should have
9 been aware of the risk, but was not, then the official has not violated the Eighth
10 Amendment, no matter how severe the risk. *Gibson v. County of Washoe*, 290 F.3d 1175,
11 1188 (9th Cir. 2002). "A difference of opinion between a prisoner-patient and prison
12 medical authorities regarding treatment does not give rise to a § 1983 claim." *Franklin v.*
13 *Oregon*, 662 F.2d 1337, 1344 (9th Cir. 1981). In addition "mere delay of surgery, without
14 more, is insufficient to state a claim of deliberate medical indifference.... [Prisoner] would
15 have no claim for deliberate medical indifference unless the denial was harmful." *Shapely*
16 *v. Nevada Bd. Of State Prison Comm'rs*, 766 F.2d 404, 407 (9th Cir. 1985).

17 Plaintiff provides very few details in his complaint. He states that several doctors
18 failed to discuss his pain issues and he later turned in sick call slips for neck pain, lower
19 back pain, blurred vision and dizziness but a nurse did not feel he needed to be seen by a
20 doctor. The complaint will be dismissed with leave to amend for Plaintiff to provide
21 additional information. Plaintiff must describe how Defendants were deliberately different to
22 his serious medical needs. Simply stating that a Defendant failed to discuss his pain
23 without further information is insufficient.

24 CONCLUSION

25 1. The complaint is **DISMISSED** with leave to amend in accordance with the
26 standards set forth above. The amended complaint must be filed within **twenty-eight (28)**
27 **days** of the date this order is filed and must include the caption and civil case number used
28

1 in this order and the words AMENDED COMPLAINT on the first page. Because an
2 amended complaint completely replaces the original complaint, plaintiff must include in it all
3 the claims he wishes to present. See *Ferdik v. Bonzelet*, 963 F.2d 1258, 1262 (9th Cir.
4 1992). She may not incorporate material from the original complaint by reference. Failure
5 to amend within the designated time will result in the dismissal of this action.

6 2. It is the plaintiff's responsibility to prosecute this case. Plaintiff must keep the
7 court informed of any change of address by filing a separate paper with the clerk headed
8 "Notice of Change of Address," and must comply with the court's orders in a timely fashion.
9 Failure to do so may result in the dismissal of this action for failure to prosecute pursuant to
10 Federal Rule of Civil Procedure 41(b).

IT IS SO ORDERED.

Dated: February 10, 2014.
